10. (Amended) A method according to claim 1, wherein sound output is through multiple sound output devices controlled so that the sound appears to be originating from said local entity.

REMARKS

This Preliminary Amendment amends Claim 10. Claim 10 is amended so that this claim is no longer multiply dependent in order to reduce the official fees which will be due. The Applicant may elect to amend Claim 10 to make it again multiply dependent or to add additional claims to this application to provide coverage similar to, broader than, or narrower than the present claims at any time during the pendency of the above-identified U.S. application.

Amendment of the subject application is respectfully requested.

Respectfully submitted,

Ross A. Schmitt
